FROM THE GENERAL MANAGER

Divots don't *fill themselves*

Sand buckets now waiting on two tees, a gentle reminder out on the course, and your Annual General Meeting.

James Loughnane *CCM MBA*

Dear Members, we all know the feeling. The group ahead is moving off, the tee is ours, and in the rush to get there the sand bucket is left behind. It happens to the best of us.

To help, we have now placed sand buckets on the 2nd and 11th tees. Please collect one as you pass, fill your divots as you go, and leave the course a little better than you found it.

You may also notice a rather pointed new sign out on the course. We hope it brings a smile, and that none of us ever earns a place on it.

Finally, our Annual General Meeting is on Tuesday 1 December at 7:00 pm. There is a ballot this year for two General Committee positions, and I encourage every eligible member to have their say. Simply scan the QR code below to download your ballot paper, print it and return it to the Club office. Susan Rea and Lauren Higgins remain on the Board, each with another year to serve.

COURSE UPDATE · FROM STUART & THE TEAM

A little more *green*

A huge thank you to our grounds staff for their early start on Sunday morning, bringing the course into top shape for the Shipwreck Coast Golf Classic. We hope everyone enjoyed a fantastic event.

Here is a quick look at what the team has been working on around the course this week.

01 Expanded greens

The 2nd and 16th greens have been slightly enlarged, allowing a wider variety of pin placements.

02 Moisture retention

A wetting agent has been applied to the tees and surrounds, helping them hold moisture as the warmer weather sets in.

03 The 2nd hole works

Now set to begin Monday 30 November. Details below.

THE 16TH GREEN · THE NEW EDGE

Freshly extended putting surface, knitting in as the season warms.

A REMINDER · THE 2ND HOLE

Works begin *30 November*

The 2nd hole will be closed on the Tuesday and Wednesday, and potentially the Thursday if needed.
